

Linwood Bureau of Fire Prevention

Application for Fire Safety Registration

The Uniform Fire Code states:

"It shall be unlawful to engage in any business activity involving the handling, storage or use of hazardous substances, materials or devices, or to maintain, store or handle materials, to conduct processes which produce conditions hazardous to life or property; to install equipment used in connection with such activities; or to establish a place of assembly without first obtaining a permit from the Fire Official." (N.J.A.C. 5:70-2.7(a))

Note: Each individual act requires a separate permit. There are six permits. You should consult your local Fire Official for the number and types of permits required and for information on fees. The Fire Safety Permit is a Type 6 permit. The fee is \$35.00. Checks are to be payable to the "Linwood Bureau of Fire Prevention". (Linwood Code 19-17 of the Fire Prevention Code)
