THIS AGREEMENT entered into this _____ day of _____, 2016,
by and between the CITY OF LINWOOD, in the County of Atlantic, a Municipal Corporation
of the State of New Jersey, hereinafter called the "City," and NEW JERSEY STATE
POLICEMEN'S BENEVOLENT ASSOCIATION, INC., MAINLAND LOCAL NO. 77
(Superior Officers) representing the Captains and Lieutenants of the Linwood Police
Department, hereinafter referred to as the "Employees."

ARTICLE I

PURPOSE

This Agreement is entered into pursuant to the provision of Chapter 123, Laws of 1974 (N.J.S.A. 34:13A-5.1, et seq.) of the State of New Jersey to promote and ensure harmonious relations, cooperation and understanding between the City and the Employees; to provide for the resolution of legitimate grievances, all in order that the public service shall be expedited and effectuated in the best interest of the people of the City of Linwood and the Employees covered by this Agreement.

ARTICLE II
INTERPRETATION

IT IS THE INTENTION of the parties that this Agreement be construed in harmony with the laws of the State of New Jersey, the Ordinances of the City of Linwood and the Rules and Regulations of the Police Department.

THE CITY recognizes Mainland PBA Local #77 (Superior Officers) hereinafter referred to as "the Association," as the exclusive negotiating agent and representative of the Captains and Lieutenants of Police.

THE CITY OF LINWOOD agrees that the Association has the right to negotiate as to rate of pay, hours of work, fringe benefits, working conditions, safety of equipment and all other related matters.

ARTICLE III
GRIEVANCE PROCEDURE

A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of employment under this Agreement.

B. Nothing herein shall be construed as limiting the rights of any employee having a grievance to discuss the matter informally with any appropriate member of the Department.

C. 1. With regard to employees, the term "grievance" as used herein means an appeal by any individual employee or the Association on behalf of an individual employee or group of employees, from the interpretation, application or violation of policies, agreements, and administrative decisions affecting them.

2. With respect to employee grievances, no grievance may proceed beyond Step Four herein unless it constitutes a controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement. Disputes concerning terms and conditions of employment controlled by statute or administrative regulation, incorporation by reference in this Agreement, either expressly or by operation of law, shall not be processed beyond Step Four herein.

D. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any step is waived by mutual consent.

Step One: The aggrieved or the Association shall institute action under the provisions hereof within fifteen (15) calendar days after the event giving rise to the grievance has occurred or knowledge thereof, and an earnest effort shall be made to settle the differences between the aggrieved employee and the Chief of Police for the purpose of resolving the matter informally. Failure to act within said fifteen (15) calendar days shall be deemed to constitute an abandonment of the grievance.

Step Two: If no agreement can be reached orally within ten (10) work days after the initial discussion with the Chief of Police pursuant to Step 1, the employee or the Association may present the grievance in writing within ten (10) work days thereafter to the Chief of Police or his designated representative. The written grievance at this Step shall contain the relevant facts and a summary of the preceding oral discussion, the applicable Section of the contract violated, and the remedy requested by the grievant. The Chief of Police or his designated representative will answer the grievance in writing within ten (10) work days of receipt of the written grievance.

Step Three: If the Association wishes to appeal the decision of the Chief of Police, such appeal shall be presented in writing to the Mayor within ten (10) work days thereafter. This presentation shall include copies of all previous correspondence relating to the matter in

dispute. The Mayor shall respond, in writing, to the grievance within twenty (20) work days of the submission.

Step Four: If the Association wishes to appeal the decision of the Mayor, such an appeal shall be presented in writing to the City Council within ten (10) work days thereafter. This presentation shall include copies of all previous correspondence relating to the matter in dispute. The City Council shall respond, in writing to the grievance within thirty (30) work days of the submission. City Council may act as a whole, or by the President of Council or his designee in the sole discretion of the President.

Step Five: If the grievance is not settled through Steps One, Two, Three and Four, either party shall have the right to submit the dispute to arbitration pursuant to the rules and regulations of the Public Employment Relations Commission within ten (10) work days after receipt of the response form the City Council. The costs for the services of the arbitrator shall be borne equally by the City and the Association. Any other expenses, including but not limited to the presentation of witnesses, shall be paid by the parties incurring same.

E. 1. The parties direct the arbitrator to decide, as a preliminary question, whether he has jurisdiction to hear and decide the matter in dispute.

2. The arbitrator shall be bound by the provisions of this Agreement and the Constitution and Laws of the State of New Jersey, and be restricted to the application of the facts presented to him involved in the grievance. The arbitrator shall not have the authority to add to, modify,

detract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto. The decision of the arbitrator shall be final and binding.

F. Upon prior notice to and authorization of the Mayor, the designated Association Representative shall be permitted as members of the Grievance Committee to confer with the employees and the City and specific grievances in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided the conduct of said business does not diminish the effectiveness of the City of Linwood Police Department or require the recall of off-duty employees.

G. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If any grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed for decision at any step in the grievance procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits for processing the grievance at any step in the grievance procedure. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits for processing the grievance at any step in the grievance procedure.

ARTICLE IV
NON-DISCRIMINATION

The City and the Association agree that there shall be no discrimination against any employee because of sex, creed or racial origin with respect to employment or opportunities for improvement of jobs or as a condition of employment. The City further agrees it will not interfere with nor discriminate against any employee because of membership in or legitimate activity on behalf of the Association.

ARTICLE V

DEDUCTION OF PBA DUES

A. The City agrees to deduct from the salaries of its employees, subject to this Agreement, dues for the Association. Such deductions shall be made in compliance with N.J.S.A. (R.S.) 52:14-15.9e, as amended.

B. A check-off shall commence for each employee who signs a properly dated authorization card, supplied by the Association and verified by the City Treasurer during the month following the filing of such card with the City.

C. If during the life of this Agreement there shall be any change in the rate of membership dues, the Association shall furnish the City written notice thirty (30) days prior to the effective date of such change and shall furnish to the City either new authorizations from its members showing the authorized deduction for each employee, or an official notification on the letterhead of the Association and signed by the President of the Association advising of such changed deduction.

D. The Association will provide the necessary "check-off authorization" form and the Association will secure the signatures of its members on the forms and deliver the signed forms to the City Clerk.

E. Any such written authorization may be withdrawn at any time by filing notice of such withdrawal with the City Clerk. The filing of notice of such withdrawal shall be effective to halt deductions in accordance with N.J.S.A. 52:14-15.Oe, as amended.

F. The City agrees to deduct the fair share fee from the earnings of those employees who elect not to become members of the Association and transmit the fee to the majority representative.

G. The deduction shall commence for each employee who elects not to become a member of the Association during the month following written notice from the Association of the amount of fair share assessment. A copy of the written notice of the amount of the fair share assessment must also be furnished to the New Jersey Public Employment Relations Commission.

H. The fair share fee for services rendered by the Association shall be in an amount equal to the regular membership dues, initiation fees and assessments of the Association, less the cost of benefits financed through the dues and available only to members of the Association, but in no event shall the fee exceed eighty-five (85%) percent of the regular membership dues, fees and assessments.

I. The sum representing the fair share fee shall not reflect the costs of financial support of political causes or candidates, except to the extent that it is necessary for the Association to engage in lobbying activity designed to foster its policy goals in collective negotiations and contract administration, and to secure for the employees it represents advances in wages, hours and other conditions of employment.

J. Prior to January 1st and July 31st of each year, the Association shall provide advance written notice to the New Jersey Public Employment Relations Commission, the City and to all employees within the unit, the information necessary to compute the fair share fee for services enumerated above.

K. The Association shall establish and maintain a procedure whereby any employee can challenge the assessment as computed by the Association. This appeal procedure shall in no way involve the City or require the City to take any action other than to hold the fee in escrow pending resolution of the appeal.

L. The Association shall indemnify, defend and save the City harmless against any and all claims, demand, suits or other forms of liability that shall arise out of or by reason of action taken by the City in reliance upon salary deduction authorization cards or the fair share assessment information as furnished by the Association to the City, or in reliance upon the official notification or the letterhead of the Association and signed by the President of the Association, advising of such changed deduction.

M. The Association is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally, without regard to Association membership. The terms of this Agreement have been made for all employees in the bargaining unit, and not only for members in the Association, and this Agreement has been executed by the City after it had satisfied itself that the Association is a proper majority representative.
